

Plumstead Dental Surgery

FINANCIAL AGREEMENT

(filled out at records appt.)

The full fee for your Short Term Orthodontic treatment is £ . The full treatment cost may be paid in advance, or further to the instalments below. However full payment must be received prior to the fitting session.

1. Consultation: £250 (this must be paid after the consultation if you wish to proceed);
2. Impression & Photograph Session: £1000 Prior to the impression & photography session;
3. Fitting Session: The remaining balance must be paid prior to the fitting session.

Payment may be made by way of cash, debit or credit card. We also offer a Dental Finance payment scheme, which subject to acceptance, will provide the full payment prior to treatment (if proceeding using Dental Finance, your first consultation will be made after 14 days have elapsed from the date of the Finance Agreement).

I hereby agree to the terms of this agreement. I understand the financial decision I have made and I commit to make the appropriate payments. If I have chosen to make payments at each visit, I agree to pay the appropriate amount at the time of each visit.
